RE: Office Action 6/16/11 and Advisory 9/13

Dear Sir,

I wish to put the following application titled "Manipulation of RNA Stability and Protein Synthesis in Cells Using Thio-phosphate" in condition for allowance. The examiner has allowed claim 8 but not claims 9 - 13 (these claims are in two new continuation-in-part applications). Please cancel claims 9 - 13 in the present application. I also show this in the amendment below.

I am including a late fee for an extension of time for 1 month of $65.

I wish to declare and make a verified statement that amendment below contains no new matter as required by 37 CFR 1.821(e), 1.821(f), 1.825 (b) pr 1.825(d).

Respectfully submitted,
